RESPONSE TO, AND REQUEST FOR WITHDRAWAL OF, NOTICE OF NON-COMPLIANT AMENDMENT

Sir:

Applicants are in receipt of a Notice of Non-Compliant Amendment dated December 15, 2003. The Notice states that the “amendment document” filed on August 5, 2003 is considered non-compliant for failing to meet the requirements of 37 C.F.R. 1.121, as amended on June 30, 2003.

Applicants respectfully submit that this Notice was issued erroneously because no Amendment was filed on August 5, 2003. The paper filed August 5, 2003 was merely a

Request for Status of Application, not an amendment. Specifically, the Request inquired about the status of a previously-filed Preliminary Amendment. The Request included a courtesy copy of a Preliminary Amendment filed February 4, 2002 (which Amendment had been subsequently re-executed and re-submitted on October 1, 2002 in a Response to Office Communication, along with a marked-up copy of the claims). Attached is a copy of the August 5, 2003 Status Request and of the postcard accompanying it, bearing a date stamp of the U.S. Patent and Trademark Office.

Since the Preliminary Amendment was filed before the current requirements of 37 C.F.R. 1.121 came into force, Applicants submit that the Preliminary Amendment is in the proper format. Accordingly, Applicants request withdrawal of the Notice and consideration of the October 1, 2002 Preliminary Amendment, which complies with the rules in effect when it was filed.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,
